

**Here Is A Human Being: At The Dawn Of  
Personal Genomics  
By Misha Angrist**

My book about all of this stuff (and more) is called  
Here is a Human Being: At the Dawn of Personal Genomics,  
published by HarperCollins in 2010.

[blogs.plos.org/genomeboy/about/](http://blogs.plos.org/genomeboy/about/)

In 2007, Angrist became the fourth participant in the  
Personal Genome Project (PGP). Here is a Human Being is  
about how he got involved in
